languages

slovak mother tongue
english fluency

programming

C++, Boost, Qt & QML
NodeJS & Javascript

experience

- 2010 - Now **Erste Group IT SK** Bratislava, Slovakia
Solutions Developer
Development of new generation transfer system, pluggable into the existing middleware, with heavy usage of asynchronous and multi-threaded programming paradigm.
- Deployment and maintenance through multiple different operating systems, such as Linux, Windows, OS X, HP-UX, AIX, Solaris.
 - Experience with multiple 3rd party libraries, Boost (asio/thread), Oracle Call Interface, etc.
 - Advanced usage of GNU tool chain, including HP-UX gdb, and AIX dbx debuggers.
 - Minor development in python and shell, mainly to support testing, and PL/SQL to integrate into the middleware.
- 2010 **SOOP** Bratislava, Slovakia
Summer Intern
Comparing and creating test cases for multiple compression libraries against multiple file types, for archiving purposes.

technical skills

- C++ **Deep specialization, and strong preference of this programming language** 3 years
Cross-platform application development, utilization of various 3rd party libraries, e.g. Boost, Qt, etc. Ability to maintain and support complex applications through various different platforms.

communication skills

- 2011 **Oral Presentation** California Business Conference
Presented the research I conducted for my Masters of Commerce degree.
- 2010 **Poster** Annual Business Conference, Oregon
As part of the course work for BUS320, I created a poster analyzing several local businesses and presented this at a conference.

education

- 2011 - 2014 **Masters** of Science Comenius University, Bratislava
Implementation of Offline Transfer System pluggable into batch middleware?
Work project. Fast performant transfer adapter, very similar to ETL tools.
- 2008 - 2011 **Bachelor** of Science Slovak University of Technology, Bratislava
Specialization in Informatics

interests

professional: data analysis, company profiling, risk analysis, economics, web design, web app creation, software design, marketing **personal:** piano, chess, cooking, dancing, running
